

White:

- **Orsett Beauty:** 3" pure white ball flowers
- **White Aster:** 1-2" pure white pompon flowers, originally introduced in 1879!
- **Bride to Be:** 4" classic waterlily blooms
- **Lainie White:** 4" pure white ball flowers

Orange:

- **Kasasagi:** 1-2" pompons, petals are yellow in the center fading to red at the edge
- **Andrew Charles:** 5" informal decorative golden orange blooms, delicate petals
- **Maarn:** 2-3" tangerine colored balls on a more compact plant
- **Azteca:** 5" informal decorative blooms blend from golden yellow to orange, pointed petals

Yellow

- **Day Dreamer:** 4" waterlily blooms in soft yellow blending to apricot
- **Moonstruck:** 3" informal decorative type blooms in a lovely soft yellow, pointed petals. Early.
- **Starburst spice:** 5" pointed blooms like a firework: yellow in the center and red at the petal tips.
- **Crazy legs:** 3" Stellar style blooms, petals are bronzed yellow on top and rusty red on reverse

Red

- **Karma Chocolate:** 3-4" deep, chocolaty red waterlily type blooms. Dark foliage.
- **Red Dinnerplate:** 6" decorative blooms in a gorgeous, saturated, burgundy red.
- **Mirella:** 2-3" ball dahlia in a glowing, coppery, orange-red
- **Totally Tangerine:** Unique 3" anemone type blooms have a dark red pompom center lined with a ring of peach petals
- **Dark Butterfly:** 2" deep red blooms have almost a waterlily shape but smaller than most.

Purple

- **Crème de Cassis:** unique 3-4" decorative 2-tone blooms. A dusky lavender on the front and darker purple on the back of the petals, with a dark center to the bloom. Shorter plant.
- **Midnight Moon:** 4" formal decorative, pristine white fading to lavender on each petal.
- **Koko Puff:** 1-2" pompon in an unusual smoky lavender color

Pink

- **Colorful Investment:** 4-6" fuschia colored decorative blooms, very productive.
- **Tami's Coral:** 4" decorative blooms fading from coral to apricot. One of my favorites.
- **Fur Elise:** 3-4" decorative blooms ranging from peach to salmon to coral
